

# starter sketchbooks

## From the University of The Arts to primary schools, what makes the appeal of these books so universal?

Seawhite all-media paper sets these books at the top of their class - add the smart covers and it is easy to see why these books are used so successfully by so many.

## STARTER SKETCHBOOKS

These workbooks are stapled with smart black card covers and contain the same top grade 140gsm paper as our hard-backed books.

STA4BC	<b>A4 size portrait</b>	40 pages	140gsm

*"The quality of the Starter Sketchbooks is reflected in the value students attach to them. We opt for the laminated covers as these have proven to be very durable and deter graffiti. The gold-blocking on the covers also contributes to the students' sense of pride in their books."*

**Helen Green, Head of Art, Birchwood Community High School, Warrington.**

### Starter

Twin-wire card for extra strength - a typical Seawhite detail. Seawhite All-media paper sets the Starter Sketchbook apart in this price bracket.

### Laminated Starter

Our all-media starter with practical plastic laminated covers for extra durability, available in a choice of colours.

### Eco Starter

Beautifully natural, sturdy & attractive recycled cover and excellent recycled paper
