"This product is very popular with the students of the Art School HKA Arnhem - the Polyholdall is strong and comes at a good price - it has been a new idea to our market and a success."

Quinten Dierick, Peter van Ginkel, Arnhem, Holland.

"We have used Seawhite Holdalls for over 10 years and not only are they practical and very durable, they compare favourably to other plastic folders on offer."

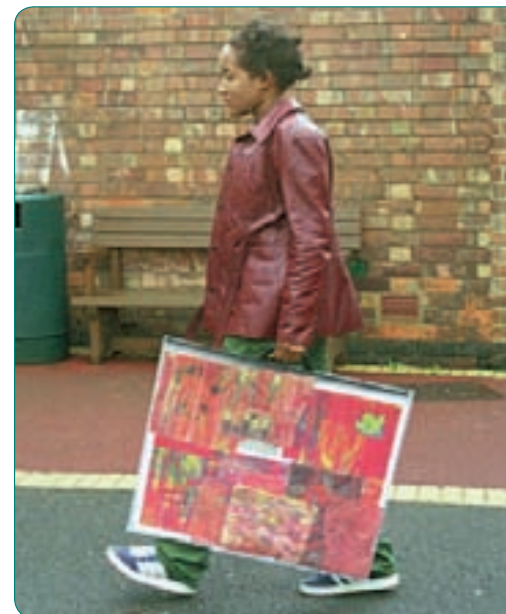

Marvene Baxter, Head of Art, Campion School, Leamington Spa.

"Seawhite Polyholdalls are very durable and versatile for the busy student artist."

Chris Biddle, Head of Art and Photography, Chesham High School.

Polyholdalls and Polyfolders are made with durable 1000 gauge plastic and are supported by 2mm board inserts
