BLOCK PRINTING INK

A viscous water based printing ink which allows maximum working time.

PTPI -- **300ml** Tube

Colours: White (**W**), Black (**B**), Brilliant Yellow (**BY**), Brilliant Red (**BR**), Brilliant Blue (**BB**), Brilliant Green (**BG**), Orange (**O**), Purple (**P**), Burnt Sienna (**BS**).

EASY CUT LINO BLOCK

Much softer and a breeze to cut; easy cut lino lets you design faster with safety.

| | | | |
|-------|--------------------|-------------|------------|
| DALB | Lino Large | 300 x 300mm | pack of 4 |
| DALB5 | Lino Medium | 200 x 150mm | pack of 10 |
| DALB6 | Lino Small | 150 x 100mm | pack of 10 |

QUICKPRINT FOAM SHEETS

Simple to use material for relief printing. Patterns and drawings can be pressed into the surface without the need for sharp tools - a pen or a variety of instruments or surfaces can make an impression. Great results with block printing ink.

FBQP **Quickprint** 500 x 350mm 15 sheets

LINO ROLLERS

Sturdy rollers, suitable for block printing techniques.
