

archival storage

Until now display quality archival boxes have been very expensive and portable versions have lacked quality.

Now you can enjoy the best of both worlds with the first top quality, slim line boxes available - at a fraction of conventional prices.

Krystal Seal Sleeves are a big hit in the US and are brought to you as the perfect accompaniment to the boxes, or any other storage system.

ARCHIVAL BOXES

Sturdy yet portable, these boxes are acid-free and beautifully made. Finished in 6 oz black canvas for durability and professional presentation.
